THE ASSEMBLY COLLECTION:

Your Space. Reinvented.

With our inventive and configurable designs, our Plaza System makes it easy to maximize efficiency and space. See all available options and select the design and system that's right for you.

Plaza System

Meet the Plaza Space, the first product in our Assembly collection. This highly configurable design maximizes the efficiency of space and responds easily to the changing needs of its users. Give new life to floor plans that require flexibility and productivity. Featuring an affordable base model for either two or four users and lots of options to make the Plaza just right for your space.

BASE UNIT

Our two person Plaza base unit and the four person unit include the following features:

1. Large, standing height desk
2. 2 USB and 2 regular outlets
3. Overhead light
4. Whiteboard back wall
5. Acoustic felt wall panels in Twofold orange (color # A46)
6. Magnetic middle (hang a pen holder from it, or notes, or anything you would like. It is your space)
7. Casters

CUSTOMIZE YOUR PLAZA SPACE

Plaza Space system provides the following options for both the two or four person unit:

1. Comfortable, bench-style seating with a large desk
2. Zero Footprint Seating Package
3. Bi-fold doors
4. AV package (includes display, bi-directional arm, HDMI cable)
5. Wall panel choices include acoustic felt back wall, whiteboard wall panels, photography on any of the panels
6. Customized logo
7. Low-profile walls (no casters)

Options

Choose your options and configure the perfect Plaza Space for your needs.

FRAME COLOR

Choose from three neutral tones that compliment most office decors. Other colors are available. Inquire for details.

LOW PROFILE WALLS
